LUXURY

COLLECTION

"Luxury" collection represents a high density rug, according to modern trends in interior design: high-tech, minimalism and glamorous chic. Wool combined with polyester and acrylic highshrink thread create a 3D effect. The texture game and shiny elements give a rich look to every piece from the collection. Exquisite pattern lines, light and rich combinations of colors with shiny accents will compliment every interior with nobility and luxury.

CLASSIC

COLLECTION

The "Classic" collection is created in two directions - Traditional Classic and Transitional style, is a combination of traditional Persian carpets with modern and stylish designs. Designs amaze with their patterns and various ornaments. Skillful combinations of colors create the illusion of multicolor. Thanks to this, the carpets in this collection can fill any interior: classical or modern. The carpet's high density combined with medium pile height, guarantees durability.
